

*AFSCAN is a global initiative which facilitates capacity building in the African veterinary community to enhance quality in small companion animal medicine with a One Health perspective*

<b>AFSCAN RESEARCH AWARD: PROGRESS REPORT</b>
---

Progress reports are expected at the end of the first year of a 2-year project and at the conclusion of the project.

Reports should be sent by e-mail to [profmjday@gmail.com](mailto:profmjday@gmail.com) and clearly indicate in the subject line that the message contains an AFSCAN Research Award Progress Report

**PROGRESS REPORT**

<b>Name of principle investigator</b>	
<b>Name/s of co-investigators</b>	
<b>Institutional Address of principle investigator</b>	
<b>E-mail address of principle investigator</b>	

<b>Title of Project</b>	
<b>Duration</b>	
<b>Date of starting project</b>	
<b>First or second year [final] report</b>	

**Please briefly review the scientific aims of the investigation**

**Please describe the work carried out and indicate the progress against the stated aims**

**Please discuss any problems or challenges that have affected the progress of the study**

**Please describe your interaction with your international research collaborator**

**Summary of Budget**

Please provide an itemized account of how the allocated budget for the project has been spent. Please indicate whether any residual funds remain (i.e. that you intend to carry over from year 1 to year 2)

**Please describe outcomes from the research**

These may include presentations made, papers in preparation, submitted or accepted and an indication of how the research may have benefited scientific knowledge or African society.
